SECRETARY NOTE

For 12 years I've been active in the social sector and working with Civil Service Organizations, one of the substantial real-life challenges in 2023 is that many senior citizens are being abandoned by their family. The numbers of such cases are devastating and show our failure as a society. As a developing nation, we must strategize and design sustainable solutions for these challenges.

To institutionalize that, our board of management decided to take action and established this facility where we aspire for the empowerment of destitute old aged senior citizens. Since 1991, we are running **Swami Vivekanand Vrudhaashram**, Saoner, Nagpur assisting hundreds of such destitute senior citizens people with the love, care and dignity they deserve during the second innings of life.

We are constantly striving to ensure better facilities, help distressed senior citizens with counseling and medical facilities, and provide everything required to live a happy life further. We share a bond of true love and relish our time as one family. I consider myself truly blessed for having this platform of opportunists to serve elderly. We take immense pride in running this facility and pledge to make this a model for senior's citizen's home in the coming years.

Yugant Yogesh Kumbhalkar

HEALTH CHECKUP CAMP ON 26 Sept. 2022

International Senior Citizens Days on 1st Oct. 2022

It is said, The generation before us is presenting the values and culture of the very

society we live. We are fortunate to have older people around us whether they're family, friends, or just general acquaintances. Older people are fonts of wisdom, experience, and storytelling. They can inspire us to continue striving. We should look to them for

guidance whenever and wherever possible.

Unfortunately, far too often we tend to forget or,

worse, downright ignore the older people in our lives.

That's one of many reasons why the international Day

of Older Persons on October 1 is celebrated.

On this occasion we had narrated their rights and duties. Celebrated this day with games

and other activities. Also, bhajan sandhya was organized by local spiritual group for the

entertainment of all. Special meals were served and everyone was happy and joyous
